

Dear Commissioner Copps  
& Commissioner Adelstein:

I want to compliment and thank both of you, first for voting against the proposed media consolidation rules, and secondly, in so professionally, (and bravely), defending your decision in that regard.

In short, thank you both so much for DOING YOUR JOB, in attempting to protect the interests of the American public. I only wish that ALL of the FCC Commissioners followed your responsible example.

Respectfully,

Robert G. Montgomery
